

Crown & Golden Crown

CROWN. A GREAT HOLIDAY.

Crown, a real gem.

With a name like Crown you'd expect something a bit special. We won't disappoint you.

The Crown boasts an elegant exterior. Then as you venture inside the treasures are unveiled before your very eyes. Among them is the excellent Carver heating system designed to put the colour in your cheeks. There's the Cascade water heater for an endless supply of piping hot water. And there's even an Electrolux fridge to keep things nice and cool during the long hot summers.

The Crown caravan, full of regal splendour.

Golden Crown, a shining example of excellence.

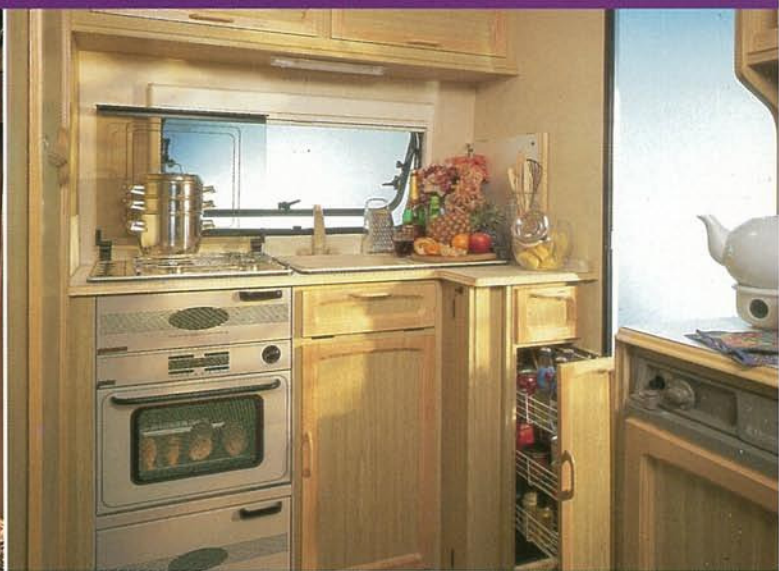

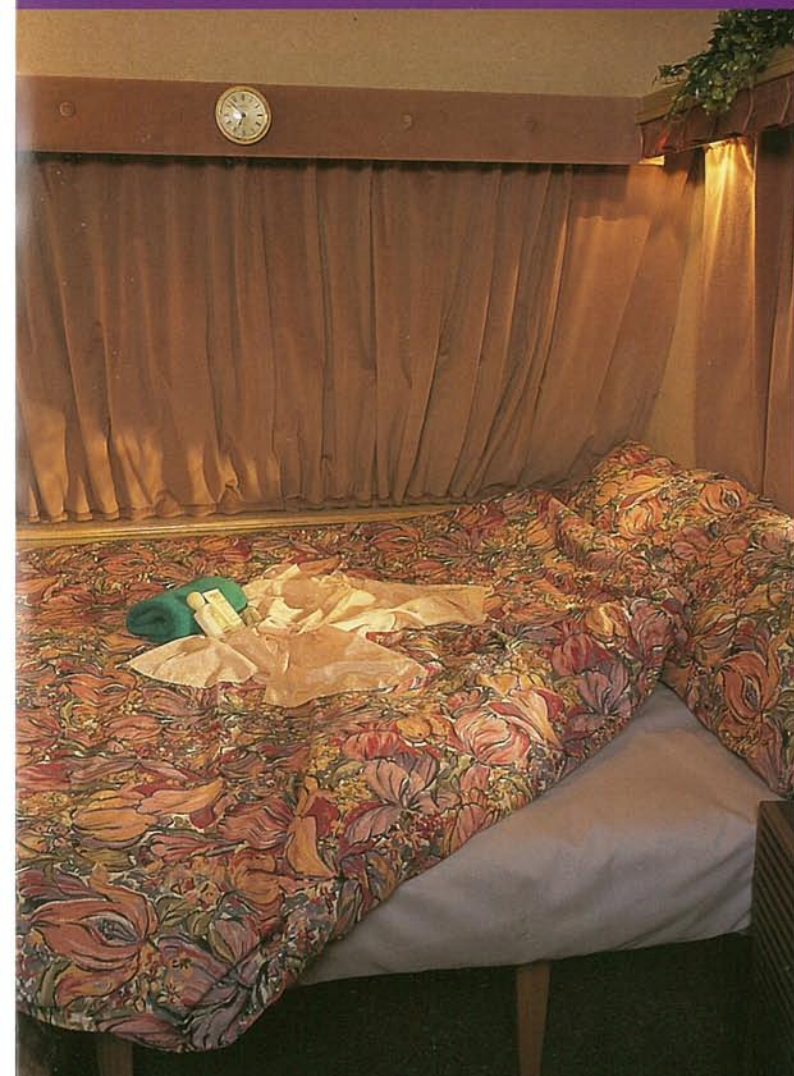

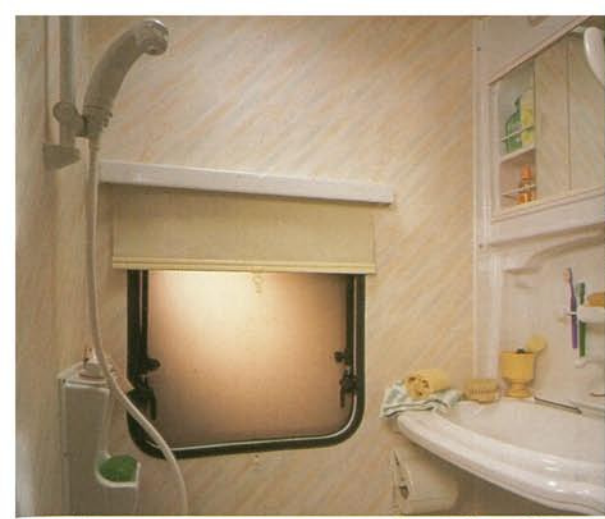

Our brightest star is the Golden Crown. Packed with special features and attention to detail that makes the competition green with envy.

The spacious kitchen is fitted with all the essential appliances you need. For privacy and comfort you'll especially like the full blinds and fly screens. Then there's the beautifully designed interior, tailor-made to make you feel at home. From the relaxing shower to the ample fridge, we've left no stone unturned.

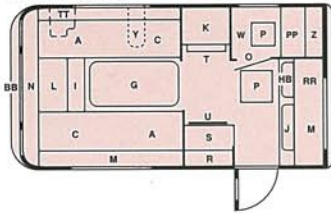

The Golden Crown, a sheer work of art.
